

# **CASE #10 - An Agreement Between Structural Engineer of Record and Geotechnical Engineer of Record**

## **ABSTRACT**

The Structural Engineer of Record may be required to include geotechnical engineering services as a part of its agreement. If a geotechnical engineer & laboratory must be subcontracted for this service, the CASE # 10 may be used. It can also be altered for use between an Owner and the Geotechnical Engineer of Record.

As of 2019, the document was legally reviewed and the following changes were made:
