

Maine Department of Transportation and ACEC/Maine Joint Transportation Task Force

This group meets regularly to discuss a variety of topics related to the collaborative effort of MaineDOT and Consultants in delivering successful transportation planning, design and construction projects to the traveling public in an efficient manner. Following are the Mission Statement and the Goals and Objectives of the Task Force, members of the Joint Committee and members of each of the subcommittees.

Mission Statement

The MaineDOT and ACEC of Maine seek to enhance our professional relationship in support of the common goal to provide quality, responsive and cost effective transportation solutions through effective communication and cooperative working relationships.

Goals and Objectives

- Maintain an open dialogue and build working relationships between MDOT and ACEC of Maine
- Through teamwork, affect continuous process refinement that will result in quality products and efficient business practices.
- Provide an open forum to present and consider concerns of either party for further actions, where appropriate.
- Share professional and technical information for the common goal of improving project development, management and delivery systems.
