**Instructions  
for  
ACEC Reimbursement Requests**

All reimbursements will be made in accordance with the most recently revised *Reimbursement Policy for Officers, Committee Members & Spouses*.

The Committee Chair will be advised by Staff of the amount budgeted for the Committee's operations.

Committee Members must send their completed reimbursement request, along with all receipts, directly to the Committee Chairman (not to ACEC) within 30 days. Please be aware that no one can be paid until all the forms are submitted.

After receiving all of the Committee Members' request forms, **and only then**, does the Chairman determine the pro-rata reimbursement amount.

The Chair approves and signs the reimbursement requests and then forwards the paperwork on to ACEC's Accounting Department (attention: Director of Finance) for processing of the reimbursement checks.

Committee meetings held in conjunction with the ACEC Annual or Fall Conference meetings are not reimbursable except as authorized in the Reimbursement Policy.

Reimbursable expenses include:

- Travel by commercial carrier (least expensive economy class fare) to and from meetings – non refundable ticket, 21 days in advance purchase
- Auto expenses at the current IRS allowable rate per mile when commercial transportation is not available, and for ground transportation to and from terminals. If personal or rental auto travel is chosen for personal reasons, maximum reimbursement will be limited to the cost of economy air travel as stated above
- Hotel accommodations – limit to a reasonable amount for a business hotel in that city (estimate \$150)
- Meals when authorized per Reimbursement Policy (Breakfast \$15, Lunch \$20, Dinner \$64)
- Postage, telephone, FAX, internet charges, and reproduction expenses related to Committee activity

Non-reimbursable expenses include:

- Laundry, dry cleaning
- Tips and other expenses for personal services
- Entertainment of any form, or expenses such as Limousine service, etc.
- Personal phone calls
- Optional events, tours

As a rule, ACEC Headquarters will provide printing, reproduction, general mailing and other support services. However, under special circumstances, this type of expense may be reimbursed, but it must come out of the Committee budget.
