Our firm has received more value from CAMEE, the ACEC coalition specifically created to support Mechanical/Electrical Engineering Firms, than any other organization with respect to improved business practices, reduced professional liability, and increased profitability. The MEP engineering feedback and business tools based on different perspectives and markets has been invaluable.

CAMEE
Council of American Mechanical and Electrical Engineers

WHO WE ARE
The Council of American Mechanical and Electrical Engineers (CAMEE) represents mechanical/electrical engineering firms, providing a much-needed forum for improving bottom-line business with improved business practices, reduced professional liability, and increased profitability.

WHAT WE DO
CAMEE membership is the gateway to business excellence in MEP engineering. We deliver information and programs that address the unique needs of MEP firms to help them succeed.

OUR MISSION
- Maintain established relationships with both ASHRAE and NASFA
- Represent MEP issues on ACEC’s outreach and advocacy agendas
- Provide education sessions tailored to the unique needs of MEP firms

WHY YOU SHOULD JOIN
Membership in CAMEE keeps you connected with other MEP engineering professionals, and provides cutting-edge information and resources to propel your business to a higher level.
**YOU MUST BE A CURRENT ACEC MEMBER BEFORE YOU CAN JOIN A COALITION.**
