

New Coalition Membership

First Year Free for New ACEC Members in 2021

ACEC National is excited to announce its “*First Year Free*” Coalition Membership for all new ACEC members. Coalition members have traditionally been ACEC’s most engaged members, and we want the introduction of the “*First Year Free*” membership to be an opportunity to help you grow and retain more of your MO membership.

To make promoting this offer as easy as possible for you, we have developed a toolkit of materials and resources. Don't see what you need, or want something specific? We're here to help. Contact [Michelle Kroeger](#), ACEC’s Director of Coalitions, to get started.

THE PROGRAM

Beginning 1 July 2021, ACEC will promote the “*First Year Free*” Coalition Membership to all new ACEC members.

The “*First Year Free*” Coalition Membership will be offered to all new ACEC Members. Firms that join ACEC between July 1, 2021 and March 31, 2022 will receive the Coalition Membership benefits until the end of the fiscal year, June 30, 2022

Members who join on or after April 1, 2022 will have their membership extended to the end of the next fiscal year, June 30, 2023.

WHAT YOU NEED TO KNOW

ACEC National will promote the offer on our website and other social media,

We are encouraging all MO’s to add an option on their membership application so new ACEC members can immediately choose which ACEC Coalition they’d like to join for the year.

Provide an Application

If you add an option on your membership application for firms to choose which ACEC Coalition they'd like to join for the year, we recommend the following language:

We invite you to take advantage of a 1-Year Coalition Membership (Free). Please choose which Coalition is the best fit for your organization.

CAMEE -Coalition of American Mechanical and Electrical Engineers

CASE – Coalition of American Structural Engineers

COPS – Coalition of Professional Surveyors

GEO – Coalition of Geo-professionals

LDC – Land Development Coalition

SFC – Small Firm Coalition

If you are not able to modify your existing applications process, you can use the provided PDF Application Form

Once we've received the ACEC member application one of three things will happen....

- **If the new member has chosen a Coalition membership using your form or application process**, we will follow up with an introduction letter specific to that coalition.

OR

- **If new ACEC member doesn't select a Coalition**, we will send an email asking them to choose which free coalition membership they'd like to have for the year. We will then follow up with their selection.

OR

- **If they decline** to join a Coalition when they become an ACEC member, we will add them to a list for follow-up later.
