**Question 14.-Does your company have underwriting guidelines or restrictions on deductibles based on firm size?**

Yes	No	Yes	No	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
-----	----	-----	----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

**Does the deductible apply to damages only, or to a combination of defense costs and damages?**

80/20 or 50/50 co-share of defense available within deductible	Combination	Normally first dollar defense cover is provided.	Typically the deductible applies to defense costs and damages. However first dollar defense coverage is available to qualifying firms.	We offer a single annual aggregate deductible in our standard policy. We can also offer First Dollar Defense.	Both options are available	Deductible applies to defense and damages	Both Based on firm size and deductible size, damage only options are available	Deductible applies to both damages/expenses	We offer both a straight deductible that applies to claims expenses and damages as well as an option for first dollar defense which would only apply to damages.	Combination but we have 2 endorsements that can be added for Shared Expense and 1st Dollar Deductible.	Both are available	Deductibles apply to both damages and claim expenses. Insureds may be entitled to a refund of up to \$25,000 through XL Insurance's mediation credit program per guidelines.	Both options are available

<b>Question 22 - How does your company define a claim?</b>														
	A written demand against any Insured .	A demand for money or services, naming you and alleging a wrongful act or pollution incident.	Claims means demand for money or services.	Claim means a demand including the service of arbitration proceedings. Claim shall also mean a threat or initiation of a suit seeking injunctive relief (meaning a temporary restraining order or a preliminary or permanent injunction).	See policy form attached	Claim means a demand for money or professional services received by the Insured for damages.	Claim means any written demand received by an Insured seeking remedy and alleging liability or responsibility on the part of the Insured or persons for whose conduct the Insured is legally liable.	A demand for money or services, naming and insured and alleging a Wrongful Act or Pollution	See our policy text, where four separate definitions are provided.	A demand for money or services, naming the Insured and alleging a wrongful act. A claim also includes the service of suit or the institution of an arbitration proceeding against the Insured.	A demand for money or services.	Demand for money or services alleging a wrongful act.	CLAIM(S) means a demand received by the INSURED for money or services and which alleges a WRONGFUL ACT arising from the performance of PROFESSIONAL SERVICES. The definition of CLAIM(S) shall include, but not necessarily be limited to lawsuits, petitions, arbitrations or other alternative dispute resolution requests filed against the INSURED.	Any demand received by you seeking "damages" or "professional services" and alleging liability or responsibility on your part. Definitions for "Damages" and "Professional Services" could be found in the attachment

<b>Question 22 b. - What assistance do you offer your insureds with potential claims?</b>														
	Free Pre-Claims Assistance.	We will assist the policy holder and their agent to make sure that claims are reported correctly to the company's claims representatives, who will in turn help the insured with the identification and resolution of the claim situation.	Refer to attorneys	We offer inside and outside counsel assistance -varies depending on the nature of the circumstances	Company adjusters are available for guidance with potential claims	Insight offers a toll-free hotline that the Insured may call for advice regarding potential claim situations. The staff also provides assistance in drafting responses to potential claim situations and will work to mitigate problems before a situation deteriorates into a claim. If needed, defense counsel may be assigned to assist with potential claim mitigation.	Free Legal advice form outside law from Donovan Hatem	Free pre-claims assistance and advice to mitigate situations prior to becoming a claim	Pre-claim assistance is offered by our claims administrators at no cost.	We offer Pre-Claim Assistance to all of our Insureds. In the event the Insured reports a circumstance, we will provide pre-claim counseling and assistance to the insured, including the retention of legal counsel and expert consultants, all at no cost to the Insured. Any cost incurred by us will not be applied to the deductible or to the policy limit.	Contract review and other risk management services	Free pre-claim assistance.	XL Insurance's pre-claim assistance is second to none in the industry. Our Early Warning System pairs the insured with a Claim adjuster to address issues before they turn into claims. The Claim adjusters - most of whom are attorneys - work with the insured to avoid potential claims. This often involves retaining counsel or an expert consultant at no cost to the insured.	We encourage insureds to report circumstances and we provide pre-claims assistance
